

At Larson Communities we are addressing the concerns generated by Coronavirus (COVID-19).

******Our adjusted hours will be Tuesday through Friday 12-4 Saturday & Sunday 12-5
Mondays closed***

***If you would like to visit our sales office, we encourage you to call ahead to make an
appointment first.***

We will allow a max of 2 people per visit.

We are still conducting business and our Sales associates are available to assist you with your new home search. To practice appropriate social distancing and comply with any local shelter-in-place or other local ordinances, meetings will be by appointment only.

As always, our Sales Associates are ready to assist you through phone call or email.

Browse our website to view available floor plans, price list, lot map, and standard home features.

Given concerns associated with COVID-19, we have instituted the following safety practices to better protect the health of our Customers and Sales Associates

- Following social distancing guidelines recommended by the CDC, such as greeting you with smiles instead of handshakes*
- Asking some health- and travel-related questions before confirming your visit to ensure everyone's safety*
- We ask that anyone entering the model for an appointment must wear a face mask for your safety and ours.*

If you or someone in your household is sick, we are happy to continue our conversations through phone or email.

In addition, prior to scheduling an in-person meeting, we ask that you provide a pre-approval letter from a lender.

Thank you for your understanding and trust as we navigate keeping everyone healthy and safe. We will continue to monitor this situation and will send out updates as needed.
